## **Welcome Team and Connections Focused Prayer June 24-30**

### **Centering Scripture Reading**

Once safely on shore, we found out that the island was called Malta. 2 The islanders showed us unusual kindness. They built a fire and welcomed us all because it was raining and cold.

- Acts 28:1-2 (ESV)

### **Summer Prayer Thought To Consider**

During Paul's missionary journeys he was taken captive and during transport, their ship crashed and began to sink. As Paul and the others came to shore in Malta, they were greeted with open arms. The islanders knew nothing about Paul or the people with him, yet they welcomed them all showing "unusual kindness." As the rain and cold approached, they even built a fire to keep them warm. In the same way, many people come on our campus each week seeking something. Some looking for the connection to other believers, some searching for questions to life's difficult questions, some searching for God, and others walking through the storms of life looking for support. Our Welcome and Connection teams are the front line, welcoming those who come on our campus. As you spend time in prayer, think about your role as a member or attender of Bay Life Church, as it pertains to welcoming those who come here.
